Silverman and Forsythe Hit the Slopes

***Jam* to be Screened at 2006 Vail Film Festival**

Santa Monica, CA, March 10, 2006 – Perennial bad guy William Forsythe (*The Rock*, *Freedomland*) and laugh out loud Jonathan Silverman (*Weekend at Bernie's*, *The Single Guy*) scheduled to hit the slopes at the Vail Film Festival for the debut of the feature film *Jam*. Neither one is a big skier but both look forward to the beautiful scenery and maybe taking a crack at snowboarding if the conditions cooperate.

Jam is one of 16 world premieres set to screen in Vail. Other films include *The OH in Ohio*, starring Parker Posey, Paul Rudd, Mischa Barton, Miranda Bailey, Liza Minnelli and Danny DeVito, and *AMERICAN DREAMZ*, starring Hugh Grant, Dennis Quaid, Mandy Moore, Marcia Gay Harden, Willem Dafoe, Chris Klein and Judy Greer.

Film details and the entire line-up of 2006 film selections in all categories are now available at www.vailfilmfestival.org or visit www.jammovie.com.
